## **AN UNDIVIDED CHURCH**

 Galatians 2:11-14

Why would Paul confront Peter? After all, Paul was concerned about the thoughts of others.

I Corinthians 8:8-13

Paul confronted Peter because he was abandoning the truth of the \_\_\_\_\_.

The gospel: All are \_\_\_\_\_ the same way—through \_\_\_\_\_ in Jesus.

Antioch was primed to be the place where the church divided between Jew and Gentile (Acts 15:1-31).

A church divided between Jews and Gentiles would be dangerous:

- The Jewish Church would too easily resort to keeping the \_\_\_\_\_
- The Gentile Church would not understand the Law so they would not understand the \_\_\_\_\_
